Special Visit 2.):

Patty Wade & Peggy Wilson returned to speak with FFOL & learn more about the status of the proposed new Library at Foresthill Park: They learned: *A new or remodeled library has been "intended" for some time, there are designated funds of 1.7 million.* They did not learn: *If there was a "time limit," if there was a "designated code" for those funds.* They will follow up with: *Meeting with Foresthill Chamber of Commerce & contacting Mary Dietrich @ Facility Services*

Reports:

A.) Mary George reported the County has approved a Budget. It is austere, but a slight improvement, as there have been no Library increases in Two Years. Improvement/ Increase include: Technology improvement @ Auburn Library--it will affect all branches, Some budget items will be covered by General Funds, A Grant of twenty-thousand from the Air Quality District for E-Books. She also reported a new County link on the Website allowing people to select, purchase & donate to the System.

B.) Robin Guthrie said the Foresthill Branch will be having the *Amazing Animal World* this Saturday, July 13 @ the Park w/ insects, reptiles & amphibians. // More pre-schoolers are attending the Thursday *Read To*. More latter-age teens are visiting the Library. Although circulation has a slight decrease, Book Reading is way up, possibly do to *Library To Go*. The Summer Reading Program has close to 100 participants. There will be an Adult Reading Program this Summer. The Park Drum Concert has been confirmed & our local Martial Arts School will open for them.

Robin expounded upon the new County donation program Mary introduced earlier. It is an "Amazon Wish List," Go to: *Support Your Library Service* on the County Website.
